CONSTRUCTION & LAW MASTERCLASS

IDRC, London

3rd June 2026

12:00pm - 19:00pm

Technology, Sustainability, & Risks & The Law

Limeslade is bringing its Construction and Law Masterclass back to London for another year.

Join industry leaders and legal experts as they share their knowledge, explore practical solutions for avoiding and resolving disputes and discuss the future of construction.

The masterclass will cover a range of topics designed to enhance your understanding of the commercial and legal aspects of construction.

This event is tailored for construction and engineering professionals.

You will gain insights into contractual issues, building safety, sustainability and dispute resolution, including the opportunity to participate in a mock adjudication.

Limeslade's masterclass is a unique event where attendees gain valuable knowledge in a variety of fields throughout the construction industry.
